Episode 17 – I'm Gonna Get Strong! (06)

I can't really tell. Isn't it just a bedroom?
Hmm...

Don't you remember? All the other rooms we saw had the exact same layout.
히죽
SFX: grin

This building is shaped like a square, right?
Yeah, even the rooms are all square-like.

You noticed!
So what's strange
about this one?
What is it?
Stop being mysterious

You thought it'd make your sword faster and sharper?

SFX: stare

Don't give in to those tempta-tions, okay?

스윽

Killing someone doesn't make you stron-ger. You'll just be haunted by the shadow of death.

And that will cause uneasiness that will eat away at your talent and potential.

There's only one thing you can do if you want to get stronger with the sword.

히죽

SFX: grin

JUST TRAIN HARDER.
Little kids like you especially need to be swinging your sword all day!

SFX: grin

This is the simple and obvious truth. Okay?

SFX: sweat

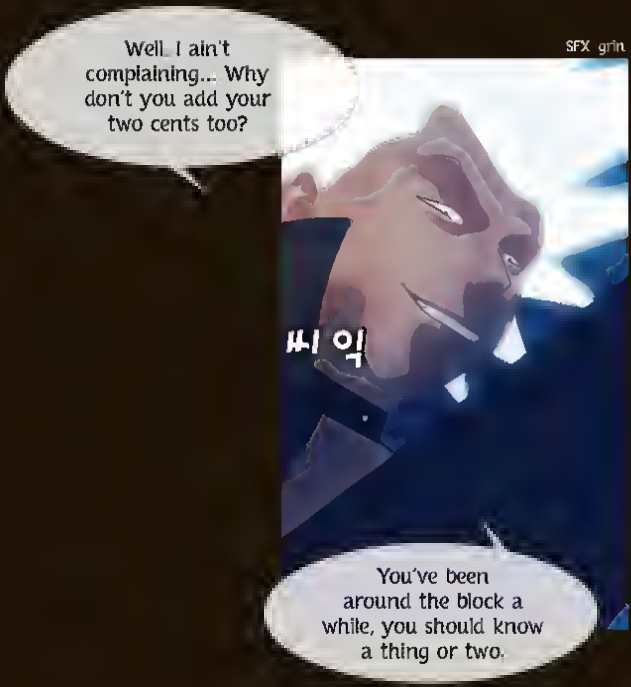

But hey what's up with you?

Usually, you would've chimed in and ruined the mood by now!

Hey, you think I don't have that much sense in me?

Oh? I didn't know!
I still can't get used to a talking sword...
I only butt in when you're saying something ridiculous which is most of the time!

Well..I ain't complaining... Why don't you add your two cents too?
SFX grin
씨익
You've been around the block a while, you should know a thing or two.

Eh? What's with the seri-ous tone?
I feel awk-ward now.

Well, I've been passed on to many people, so I can tell

That you have potential

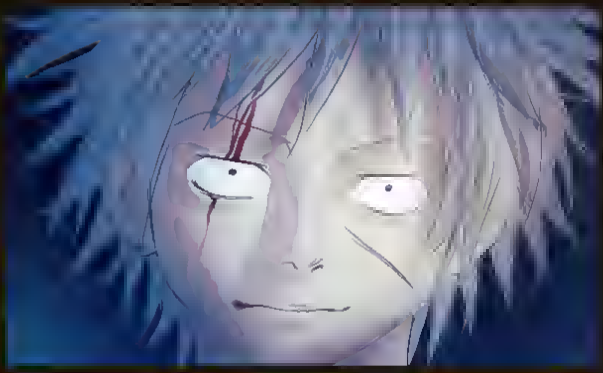

W-What about me...?

Yeah, a lot of it.

Right now, what you need to grow stronger isn't some fancy skill or cold-bloodedness

You just need to train really hard

Because
hard work never
betrays you

When I saw myself

low I'd fallen.

No matter how many excuses you make up, it doesn't change the fact that an entire village was destroyed because of you.

The first group is made up of people who've been contracted by the government to find him.
Another group... is made up of bounty hunters, like you mentioned. This is a waste of everyone's time because they're no match for Edermask

And the last group consists of people like us.
So many people.

Who follow him to find out the secrets of his immortality.

Right. What happened to that nuna?
Pshhh. We already parted ways. And a real man should always rescue a damsel in distress.
Really?
I don't believe you
Why else would I have stood up to a monster like that?
Hmm... Well, I like that about you.

W-WE NEED YOUR POWER OF IMMORTALITY!
PLEASE TELL US THE SECRET BEHIND IT!
찌릿

SFX: Glare

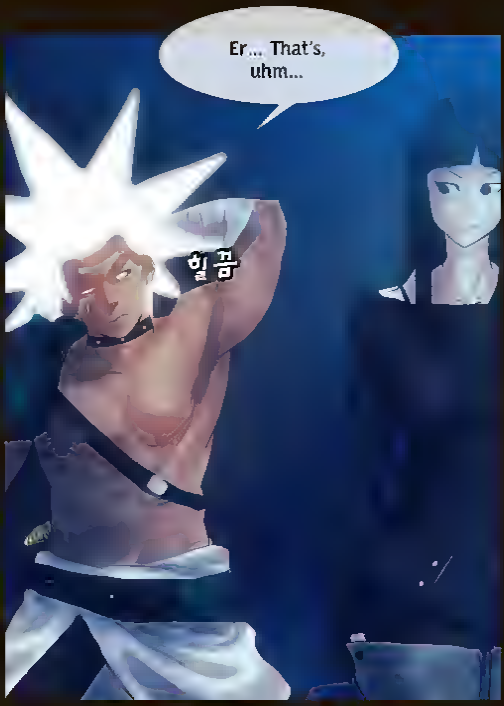

SFX: Ugh

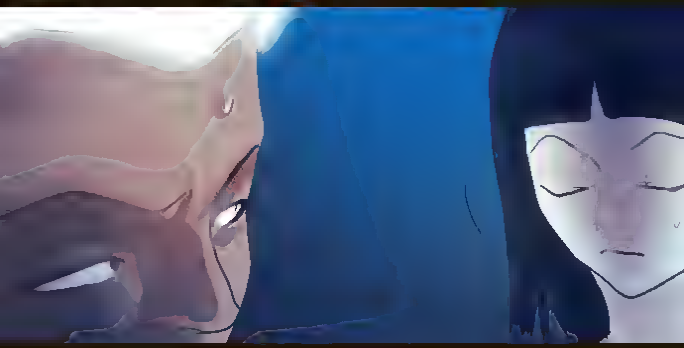

Hmm...
타 악

SFX: Tap

Is there any particular reason?
I'll at least hear you out.

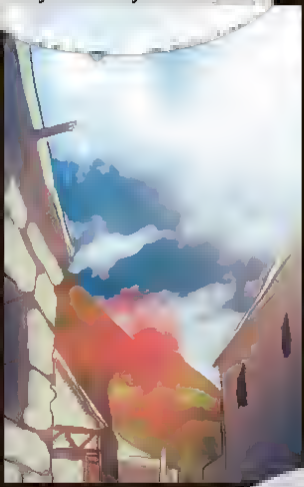

SFX: Glance

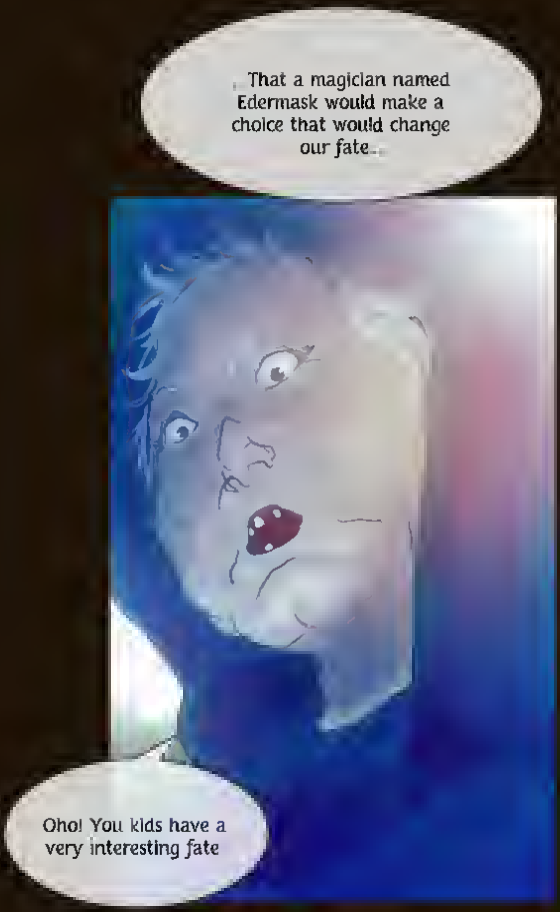

We grew up together in the same village
This beginning is a bit...
...And one day, a seeress stopped by.

During her stay in the village, she never told anyone their fortune...

But when she saw Maudlen, she said that she was doomed to be swept up by a great tide in the future, and that she would die because of it

We were little then so we didn't think much of it, but we still remember her words
What's that stupid thing?
Idiot, it's a castle, a castle!

...That a magician named Edermask would make a choice that would change our fate...
Oho! You kids have a very interesting fate

The seeress left the village soon after

Oh dear, I made a mistake there, didn't I?

And when the things she predicted for the village came true, soon after, we knew

The day she foretold will come this year
Eh, this year?

We don't have time
We must have that spell
I'm not lying
Yes, yes.

Oh, man...
스윽

SFX: Rustle

Just about everyone out there drags me into their affairs, huh?
끼익 끼익
Now who the hell was that seeress? Was she someone I knew?

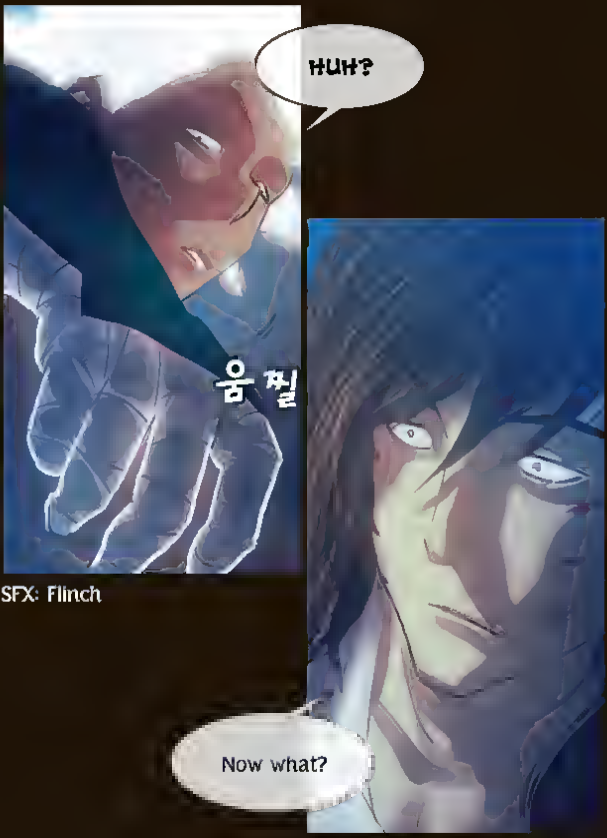

But that 'day' can't be the same one Edan was talking about, can it? It's bothering me a little.
Well, it's an interesting enough tale. We'll be beset by a great tide this year, right...

Though I don't know if you're telling the truth or not.
Ack!!
Angry!!
Unfortunately, however, I'm looking for the immortality spell myself...
So I won't be of much help here, I'm afraid.

It's really a pity.

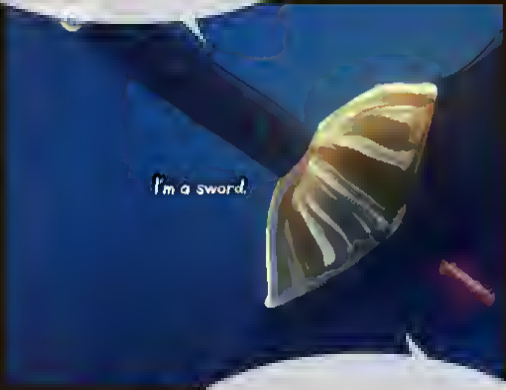

SFX: Haa

SFX: Flinch

I SAW YOU A HUNDRED YEARS AGO, EDERMASK-NIM.

YOU LOOKED THE SAME BACK THEN AS YOU DO NOW.

You haven't aged a bit. So how can you feign ignorance?
멍 ~
What kind of joke is this...?
Are you saying that the Edermask from back then is a different person from the Edermask of now?
SFX: Numb...

You saw me a hundred years ago?
퍼 뜩
SFX: Flash

There're so many who make the same claim, you see
Eh? But I can't quite recall...

Hey, are you sure you know him?
You weren't lying about how you were made two hundred years ago as well, were you?
I'M TELLING YOU THE TRUTH! MY COMPANION AT THE TIME WAS A BOUNTY HUNTER WHO WAS PRETTY FAMOUS IN TUR, AND HE FOUGHT HIM!!!

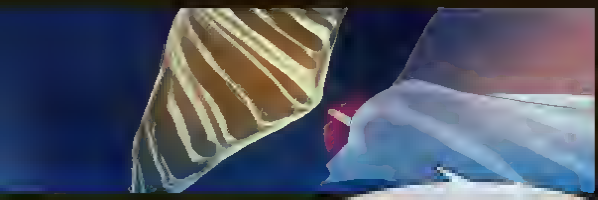

Then why doesn't he remember? Maybe that bounty hunter was a nobody? Tur's just a backwater, after all!!!

NO, HE REALLY WAS FAMOUS!!! IT'S JUST...

Just??

It's just that Edermask-nim was too strong.

He was barbequed by a single lightning bolt.

.....

W-what?

That's right, I was quite prickly back then, wasn't I?
Well, you're right. That was me, and I've lived for over 300 years as you've probably heard.
스윽
But I still can't remember you

SFX: Rustle

But it seems like what you're looking for is a body of steel that can even stave off death.
Wait, am I weaker than that guy?
Don't feel depressed. You're a bit stronger
Then you've come to the wrong person

It's true that I don't grow old...
...But I don't know if I can escape death

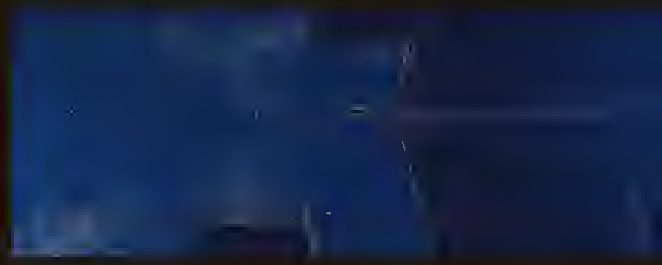

I can't say for sure because I've never been in a situation where I almost died...
W-What.. is this atmosphere?
You're awake?
Aah, so that's how it is.
But other than the fact that I don't grow old, I'm pretty much the same as everyone else I get injured, and I don't heal particularly fast.. My body isn't completely immortal it seems.
Well, I don't catch diseases, so I guess that's good...

I'm sorry, but even if you knew this spell, I don't know for sure whether or not it can defy death

SFX: Sway

Why'd I have to wake up when things are so awkward?

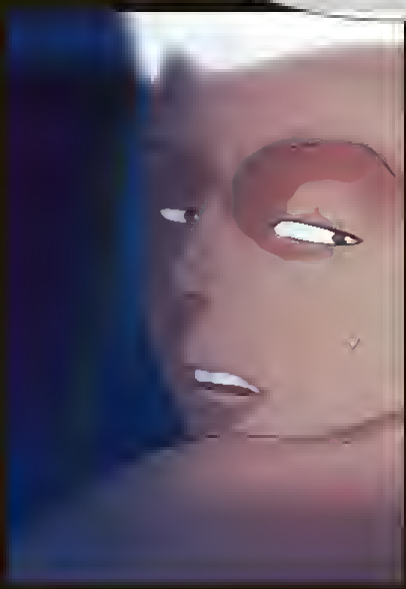

Are you alright?
으 으
Haa... We've searched for so long, but it was all in vain...
SFX: Mmm

A few years for you, maybe, but I've been doing this for 300 years
I must have lived a long time, if even kids like them have come looking for me.

AH!
Where's that elf you took with you?

Did she accompany you here?
Get some rest.

Ah, that elf lady?
Yes she did. but...

She said her mission was to pursue Edermask, so she came with us. But I don't know where she is now because we got separated after we reached the village.
긁적
긁적
She likes to suddenly appear and then vanish into thin air...

SFX: Scratch

But she's probably somewhere nearby I guess?

.....
Well, since that ability has been sealed, she won't be able to contact anyone anymore...
Is she just watching and biding her time until she's joined by the others?
Damn, she's sure doing a good job of sneaking around like a mouse.

Hmm I'd better deal with her before it gets too bothersome
E1 억
I can't afford to get bogged down again here

I'll finish this before
we leave the village
